

The Housing, Heating and Health Study would not have been possible without the help of many people and organisations and we would like to take the opportunity here to thank:

Our community partners:

Tu Kotahi Maori Asthma Trust, Waiwhetu Marae and Community Planners in the Hutt Valley, Porirua Health Plus and Te Ropu Awhina in Porirua. Pacific Trust Canterbury, Community and Public Health and Te Amorangi Richmond in Christchurch, The Otago Asthma Society in Dunedin and Te Runaka O Awarua in Bluff.

Our insulation retrofitters and heater suppliers and installers:

Energy Smart, Community Energy Action and Kati Huirapa Runaka ki Puketeraki who supplied and installed each house with insulation, Air Con (using Fujitsu and Mitsubishi products) who installed the heat pumps, Solid Energy who installed the Wood Pellet Burners and Hutt Gas and Plumbing who installed the Flued Gas Heaters. Thank you also to Smart Power who managed the tender and installation process.

The energy companies, that supplied household energy data
